January 2012

Dear Volunteers,

Thank you for your support of HSFC in 2011! We look forward to another year of growth and development among our volunteer corps and hope that, as your schedules permit, you will keep us in mind.

The following document provides a statistical breakdown of service hours **as recorded by you**, the volunteers, through 12/31/2011, **and as collected from each service area location**. Records are maintained for individual service for 2011. Each location will be provided a report of hours by individual, for reference.

PLEASE BE SURE YOU SIGN IN AND OUT AT EACH VOLUNTEER VISIT. Incomplete sign-ins are not counted toward service hours. If you have questions, please ask your location's Manager.

In addition to giving us a snapshot of our volunteer base, this tracking mechanism assists us in completing grant applications that help support funding of the organization. As such, we appreciate your cooperation.

Thank you again for your work on behalf of the animals!
