## **NEIGHBORHOOD DRIVE FOR WISH LIST ITEMS**

This is a fun project for scout troops and young volunteers who want to help our organization and the animals in our care. It doesn't take a lot of time, can be done anytime of the year and everyone can set their own time frame to do it.

First we have the volunteers take our wish list and a HSFC flyer around to their neighbors or anywhere else they wish to distribute this list. They let the homeowner know they will be back the next weekend, or whatever date you decide, to collect any donations they have to give to the Humane Society. (Our wish list is available at [www.hsfc.org](http://www.hsfc.org) or by contacting our main office at 703-385-7387.)

When returning to collect the items donated the volunteers give anyone who donates a signed donation receipt so they can use the donations as a tax write off to charity.

Finally, the volunteers or scout troops brings the donations collected to the Humane Society of Fairfax County offices at the address below.

We thank you for helping our organization, and on behalf of all the animals, we thank you very, very much.
